---

## EDUCATION

---

### Arizona State University

*Masters of Arts, Geography*

Expected Graduation - May 2026

### Arizona State University

*Bachelors of Arts, Psychology, Minor, Anthropology*

*Summa Cum Laude - 4.0 GPA - Dean's List, Spring & Fall, 2020*

May 2022

## WORK/RESEARCH EXPERIENCE

---

### Research Intern

Fall 2021 – Spring 2022

*Arizona State University, Advisor - Dr. Hruschka*

- Collected and reviewed, often sparsely documented, cases of ethnic discrimination and privilege in the global south.
- Coded data in teams using Excel to construct a database with numerical categories of discrimination severity.
- Categorized cases into forms of discrimination and synthesized collected research and literature into case studies.
- Edited case studies to match proper grammar and standards for publication on lab website.

### Research Intern

Fall 2021

*Arizona State University, Advisor - Dr. Nebie*

- Reviewed conservation and health literature encompassing a 20 year span in the Sahel region of Africa.
- Analyzed and coded documents pertaining to soil and water conservation alongside their health-related outcomes and policy recommendations.
- Synthesized summaries of findings pertaining to overarching categories within the literature.

### Friends of Southwest Virginia

June 2019 – May 2020

*Photographer/Writer/Videographer*

- Participated in regional marketing meetings designed to identify and target marketable stories within the Southwest Virginia area.
- Identified areas of interest to engage stakeholders and consumers in local economies and businesses.
- Conducted outreach to local business owners, artists, and celebrities to share project goals and secure support.
- Produced content packages including written articles, photo essays, and interviews featuring targets identified in regional meetings.

### Content Creator

June 2019 - Present

*Freelance*

- Serves the Southwest Virginia area as a photographer, producing images for government agencies, advertising purposes, and private use ranging from landscapes to portraits to event photography.
